

List of Participants

in the

Resource Room and the Self-Study Fair

The Higher Learning Commission staff has selected the institutions on this list to participate in this year's Self-Study Resource Room and/or Self-Study Fair. Each listing is designated with either an **"RR"** (for **Resource Room** only) or **"RR/Fair"** (for both **Resource Room** and **Self-Study Fair**) after the institution name.

For your convenience, the Resource Room will house at least two copies of each institutions' report. Signs posted throughout the room will provide further direction.

Please review the reports on display, but we ask that you do not remove any self-studies from the Resource Room. Forms are available throughout the room to request a **limited number of pages** for photocopying. **Column** is sponsoring of the Copy Center next to the Resource Room. Photocopying services are provided free of charge. Those who want more extensive sections of reports should contact the institutions listed in this document. Most institutions will provide their reports for a small fee to cover direct costs. Also, please note that many reports are available on the web.
